

glemo

Tokenization
creates the asset.
GlemO creates
the deal.

STRONG INTEREST. EARLY ADOPTION.

64%

asset managers interested in tokenizing
(40% a year ago)

63%

investors very interested in investing

11%

had already invested.
(Interested or seeking information)

Tokenization alone does not bring buyers.

Coinbase & EY-Parthenon Institutional Investor Survey, Jan 2026 (N=351)

GLEMO: LIQUIDITY & DISTRIBUTION

A neutral liquidity & distribution rail AI-native. **Open platform**

One shared buyer network across issuers. AI supports matching. Partners expand distribution.

Rules per asset:

Eligibility

Sale markets

Transfers

WHY US

We know how to turn interest into buyers, and buyers into closed deals.

30+

years building digital businesses

1,000+

companies served

14

AI applications in production

Gleisson Herit · Founder & CEO

Architect of a major digital real estate case in Brazil.

GO-TO-MARKET & MODEL

Start curated. **Scale through repeat business**

Where we start

Real estate in the UAE and Singapore.

- 01 Curated issuers and assets
- 02 Invited, eligible buyers
- 03 Paid pilots and repeat deals

Relevant offers bring buyers.
Repeat deals bring issuers.

How we earn

DAY ONE

Sellers pay recurring SaaS fees

AS DEALS CLOSE

Transaction fees

LATER

Partner integrations and developer dApps

NEXT 12 MONTHS

Twelve months to **seed-ready**.

Targets from funding close. Launch requires applicable approvals.

THE ASK • CLOSING DECEMBER 1

US\$2M pre-seed

01

**Build the core
platform**

02

**Complete the legal
structure**

03

**Prove paid
workflows**

Milestone: 2 paying institutions, with repeat usage and renewal.

Tokenization creates the asset.
GlemO creates the deal.

Thank you!
